MASTERS OF DESIGN

The most prestigious awards in the pool and spa industry

Entry Form (continued)

- Tell us why you think this project should win a Masters of Design award.

- Please discuss any unique challenges or special design features that make this project stand out.

- What are some of the design considerations that went into this project's creation?

- Please specify the age of any photos you are supplying of this project: _____
- Have these photos been digitally manipulated in any way? YES NO
- Do you have access to the site for a professional photographer to take additional photos? YES NO
- List everyone involved in the aesthetic design of the project and state their roles. Please include yourself, if applicable.

Legal Notice

I hereby swear that the submitted project was designed solely by those listed above, and that no other individual can claim significant design contribution to this project. I understand that if other designers can prove their roles in this project, any award it receives may be rescinded, and I will bear responsibility for any legal costs that may ensue. I understand that all entry materials will be retained by *Pool & Spa News* for use in publicity and publication.
